***NEW* Tadpoles** - 30 min parent and tot program ages 8 months to 18 months. Designed for those little hand and feet to learn and explore new surroundings. This program is designed to help you and your child learn and grow gross motor skills by climbing and crawling over, under and around various gymnastics equipment. Your child will develop fine motor skills by picking up and moving objects in the gym.

TumbleBugs - 45 min parent and tot program for children ages 18 months-3 years of age. The child's guardian actively participates with their child in various circuits throughout the gym with the guidance of a coach. Explore all of the gymnastics apparatuses while enjoying great physical activity, which helps to increase your child's gross motor skills, coordination, balance, and strength.

Kindergym - 1 hour class and is for children 3-5 years of age. Preschoolers will experience a wide variety of activities which will give them an opportunity to playfully discover the gymnastics world. This class is designed to promote the development of school readiness skills, gross motor skills, muscle development and coordination.

Girls & Boys Cangym Program - These programs are grouped according to age and increase in time length by age. Participants in these classes will progress through the CANGYM program. Each gymnast will receive a certificate of achievement while acquiring strength, flexibility, body alignment, coordination and basic gymnastics skills.

Girls ages 5-6- 1 hour , 7-9- 1.5 hours , & 10-14 – 2 hours, Boys 5-7- 1.5 hours, Boys 8+ 1.5 hours.

Tumbling & Trampoline , Flexibility/Strength - 1 hour classes for ages 6+ to focus on the development of basic gymnastics skills and fundamentals.

Leaps & Bounds *Special Needs - 1 hour class for ages 4+. We believe that gymnastics is for everyone! We're committed to providing every child the opportunity to develop fundamental gross movement skills and discover the fun and thrill of gymnastics. Caregivers or guardian is permitted to assist if needed as the children experience a variety of sensory inputs and social interactions.

Aerobic - 1 hour class for ages 7+ and will focus on developing agility, coordination and self confidence. Building strength and flexibility, preparing the body for life's challenges This class is modern, fast paced and intense and combines dynamic, continuous sequences of high and low impact steps.

Acrobatic - 1 hour class for ages 7+ that will focus on enhancing balance, coordination and agility. Develops posture and confident body movement, including the ability to land safely. Challenges the mind and body to courageously reach new goals , builds strength, flexibility and power.
