Families will be limited to 1 parent should they wish to stay and view the class and are asked to use 1 seat to separate them from other parents. Please use the entrance doors only. If you or your child is feeling sick and or has any symptoms, please do not enter the facility. Temperatures will be taken upon entry.
+	Arrival & Mandatory Hand Sanitizing	Upon entry please use the hand sanitizer provided. Please only come in with limited belongings and leave them neatly in the lobby room and wait for your child's coach to call them to the floor.
+	Class Call	Coach will assist the athletes to the floor one at a time as they arrive and will move through rotations in the same fashion.
+	Staff Coaching Limitations & Responsibilities	Staff will be required to wash hands before and after every class. NO SPOTTING will be administered during any instructed lesson, unless for safety reasons. Coaches are to guide students by verbal commands only. Coaches will be required to do a wipe down of the equipment in between classes and a full facility clean at the end of each day.
+	Scheduling	The Head Coach will be responsible for scheduling classes to accommodate students to the facility ratio. Time spacing will be used to limit families coming in and out of the facility at the same time.
+	Facility Ratio	We will be using a square footage ratio 144 square feet/child/coach in the facility.
+	Group Spacing	Athletes will always be encouraged to keep 2 feet distance from each other. Markers will be put on the floor to assist in keeping space.
